

The Naval Cryptologic Veterans Association

The Executive Director of the NCVA takes pleasure in presenting the

NCVA DISTINGUISHED SERVICE AWARD

to

Chief Cryptologic Technician (Collection)

William T. Craig, Jr., USN (Retired)

for service set forth in the following **CITATION:**

For distinguished service and conspicuous dedication to the Naval Cryptologic Veterans Association (NCVA) for many, many years not just as a member, but also as the primary photographer for our reunions – with many of his candid photos appearing in the reunion issues of our flagship magazine, the CRYPTOLOG. Bill's photos give our members who were not able to attend a reunion a glimpse into the reunion activities and shipmates they may not have seen in many years, and for those who were able to attend, some fond memories of the time they recently spent with their friends. Bill's long and dedicated service continues to this day, where he demonstrates his unrelenting loyalty, support, and commitment to the NCVA that have been the hallmarks of his service and are in keeping with our highest traditions.

GIVEN UNDER MY HAND THIS 28th DAY OF MAY, 2017
