Contact Double Tree by Hilton via the Web link (<http://ow.ly/ZexF30kZkuV>) or call 1(207) 775-6161 and use Group Code "CVA"

The US NAVAL SECURITY GROUP PHILIPPINES VETERANS group is not an official or chartered Association. It is a group for all Security Group personnel who were ever stationed in the Philippines. While we do not require membership in NCVA to attend our dinner/banquet, we strongly encourage it. Likewise, we encourage all NCVA members who served in the Philippines to join us. We have had participants from the 1950s through 1991 when we sadly closed the doors on our last station.
